The board (the “**Board**”) of directors (the “**Directors**”) of FEG Holdings Corporation Limited (the “**Company**”) and together with its subsidiaries, the “**Group**”) wishes to inform the shareholders and potential investors of the Company that, based on the preliminary review of the latest unaudited consolidated management accounts of the Group and the information currently made available to the Board, the Group is expected to record a consolidated loss attributable to owners of the Company not exceeding HK\$7 million for the six months ended 30 September 2024 (the “**Reporting Period**”) as compared to consolidated profit attributable to owners of the Company of approximately HK\$9.6 million for the corresponding period of 2023, which is mainly due to (i) the decrease in gross profit margin; and (ii) the increase in administrative expenses for the Reporting Period.

The above information may be subject to further adjustments upon final review by the Board. Shareholders and potential investors of the Company are advised to refer to the details in the interim results of the Group for the Reporting Period, which is expected to be published in late November 2024 in accordance with the Listing Rules.

Shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.
